

FOR IMMEDIATE RELEASE

Fifth Street Design Receives Five American Graphic Design Awards

Bozeman, MT — September 12, 2007 — Fifth Street Design announced today that they have received five American Graphic Design Awards from Graphic Design USA. These prestigious annual national awards are for design and marketing excellence, with this 45th year of the competition drawing in over 11,000 entries. This competition is among the most prestigious as well as open and democratic of all such design competitions. It is also among the most selective. Fifth Street Design has been previously honored with 13 American Graphic Design Awards in prior years.

The awards this year were received for

- ■ **SoluLink 2007/2008 Catalog.** SoluLink is a bioscience company in San Diego focusing on conjugation chemistry.
- ■ **Edgewood Center for Children and Families' 2005 Annual Report and A Century and a Half of Helping,** a major donor fundraising development brochure. The oldest children's charity in the western U.S., Edgewood helps children and families take back their future by working with them to overcome severe challenges like abuse, neglect, mental illness, and family crisis. toll free
